SIGHT & SOUND Music Software, Inc.

We unleash the music in you.™

# INCREDIBLE MUSICAL KEYBOARD™

## Transforms your Commodore 64 into an amazing musical instrument.

Play piano, synthesizer, guitar or electronic sound effects with the included music software.

Play melody and harmony over an eight octave range.

Control bass, mid-range and treble settings and exciting special sound effects.

CPC-IMK-C

P-1141

## For beginners.

Play music within minutes.

Attach included ABC note stickers to the keys. Just match the letter on the key with the letter in each note of the song and... Presto!...you're playing music from the included Letter Music Song Book, containing 26 easy-to-play songs.

It's easy. It's fun. It unleashes the music in you...even if you don't read music.

## For musicians.

Unleashes the music potential lurking in every Commodore 64.

Play songs from the included Melody Chord Song Book featuring the hits of today's top recording artists. Or play songs from your own sheet music.

## Designed to work with the Incredible Musical Keyboard are:

Kawasaki Synthesizer.
Kawasaki Rhythm Rocker.
The Music Processor.
3001 Sound Odyssey.
And others.
